LUNCH WILL BE SERVED AT THE FARM

FIELDMEN

Allan C. Atlason, Secretary, American Shorthorn Breeders Association

Albert J. Hamann, The Shorthorn World

Clem Larson, American Shorthorn Breeders Association

Thos. W. Sherlock, Wallaces Farmer & Iowa Homestead

Arden Aegerter, Corn Belt Farm Dailies

Auctioneer. J. E. Halsey, Des Moines, Iowa

ALBERT J. HAMANN, SALE MANAGER

Rock Rapids, Iowa

GENERAL INFORMATION

LOCATION—This is a complete dispersion. Due to the large number to be sold, the sale will start promptly at 12:15 p.m. Central Standard Time, on Friday, October 9, 1953. Sale will be held at Broadlawn Farm, located 1 mile South on Highway 59, 4 miles west on Highway 20, and 4 miles South on county gravel from Holstein, Iowa, which is 46 miles East of Sioux City, Iowa.

TRANSPORTATION—The sale headquarters will be at Broadlawn Farm, Phone 7F11, Cushing, Iowa. Those from a distance will find first class hotels at Sioux City, Iowa which is convenient driving distance from the farm. Braniff airline flights and main line trains can be met here by arrangement. Those driving from the Swanson Sale and other points will find first class motels at Spencer, Storm Lake, Ida Grove, Cushing and Denison.

INSPECTION—All cattle may be inspected any time prior to the sale at Broadlawn Farm, and any information desired will be gladly given.

TRUCKERS—Reliable truckers will be available, and we will assist in securing trucks at reasonable prices, and combining loads with cattle from other sales.

AUCTIONEER—J. E. Halsey, Des Moines, Iowa.

SALE MANAGER—Albert J. Hamman, Rock Rapids, Iowa.

MAIL BIDS—We want you to come to this sale in person if it is possible for you to do so because this herd must be seen to be fully appreciated. If such a trip is not possible, however, you may send mail bids to any of the following reliable men:

ALLAN C. ATLASON, Sec'y, American Shorthorn Breeders Assn., 7 Dexter Park Ave., Chicago, 9, Illinois.

ALBERT J. HAMANN, The Shorthorn World, Rock Rapids, Iowa.

CLEM LARSON, Fieldman, American Shorthorn Breeders Assn., Callendar, Iowa.

THOS. W. SHERLOCK, Wallaces Farmer & Iowa Homestead, Oxford, Iowa

ARDEN AEGERTER of Omaha Journal Stockman, Seward, Nebraska.

J. E. HALSEY, Auctioneer, Box 1317, Des Moines, Iowa.

Last minute mail or message to any of the above should be addressed in care of Metz Bros., Holstein, Iowa. PHONE 7F11, Cushing, Iowa.

Make your plans to attend the Harry L. & Estella Swanson Dispersion, Estherville Iowa, the day before this sale on October 8, 1953.

A WORD ABOUT OUR HERD

In 1936 we decided that in order to carry on a balanced farming operation it was necessary to include livestock. Therefore, our choice was beef cattle. Since we had previously raised commercial Shorthorns, our choice, naturally, was a registered Shorthorn herd.

Then, with a very definite type in mind of the kind of Shorthorn we wanted to produce, we set out and purchased many of the top heifers in leading consignment and draft sales. We also secured bulls of the same kind.

For nearly fifteen years we tried each time to secure a better bull to succeed the previous one, and hardly a female was sold for breeding purposes.

A program of rigid culling was practiced. The top heifers were all returned to the breeding herd and all culls sold for slaughter. In this manner, we developed what many good cattlemen have told us is one of the really uniform large cow herds in the country.

A study of the catalog will indicate that the bulls, Helfred Broadback, Broadlawn Norseman, and Imp. Powgavie Flying Fortress had a great influence in developing the uniformity and desirable qualities of this herd. It will also reveal that approximately ten reliable families have furnished the female foundation.

It is with regret that we now disperse this herd. However, since we have sold our farm and will retire from farming, such is the only course open to us.

Whatever measure of success we have attained has been very gratifying. We have tried to produce what we believe to be the correct type of Shorthorn. It has been particularly gratifying to have an institution like Mississippi State College select twenty females from our herd, ten by each of our two senior herd sires for their foundation herd of Shorthorns.

In addition, it has given us pleasure to have satisfied customers over an area which included Illinois, Kansas, Nebraska, South Carolina and South Dakota, because we do want our cattle to do well for others.

We know that our Shorthorn herd has helped to improve our farm, and we can honestly assure you that every animal in this herd has only remained there because they have been profitable producers.

We sincerely hope that all our friends and those interested in improving Shorthorns will plan to be with us here at the farm on Friday, October 9th. We will make every effort to make everything pleasant and convenient for all prospective buyers and friends.

METZ BROS.

E. A. (Ed)

L. G. (Lou)

C. R. (Clarence)

TERMS AND CONDITIONS

1. The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off, but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at the purchaser's risk of loss or injury.

2. All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bangs disease test within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory.

3. Certificate of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and an application will be furnished for every calf at foot and every calf carried in dam.

4. The Metz Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.

Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation. All case of failure to breed shall be reported to the seller within 90 days from sale day.

5. The above terms constitute a joint contract between Metz Bros., the sellers, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

6. Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

A Word About the Metz Bros. Herd

There is no question in the mind of anyone who is familiar with the Metz Bros. herd that this has been a truly constructive breeding program.

It is a well known fact that for years only a few of the top bulls were retained for sale as bulls, and the majority steered and fed as top market steers. The same holds true with their female productions. Those not good enough for their own herd were also fed for slaughter.

Many good cattlemen have admired the type, conformation, good heads and fleshing qualities of this herd.

A study of the pedigrees reveals that many already carry four generations of Metz breeding on the dams side.

Although they have never made a practice of showing cattle or selling many in consignment sales, some of their productions have been shown and sold by others with marked success.

The herd bulls they have used have been the right kind backed by strong ancestry. **Helfred Broadback**, **Broadlawn Norsemand**, and **Imp. Powgavie Flying Fortress** have certainly proved to be a combination of improving sires. Everyone who has seen the females produced by blending these three bloodlines has wanted to own some of them.

A modified line breeding through the use of **Broadlawn Fortress** has given very good results.

This herd must be seen to be appreciated. Critical bull buyers will have an opportunity to bid on three mature bulls, **Imp. Powgavie Flying Fortress**, **Broadlawn Fortress**, and the show bull, **Broadlawn Fortress 7th**. The four younger bulls are also good prospects.

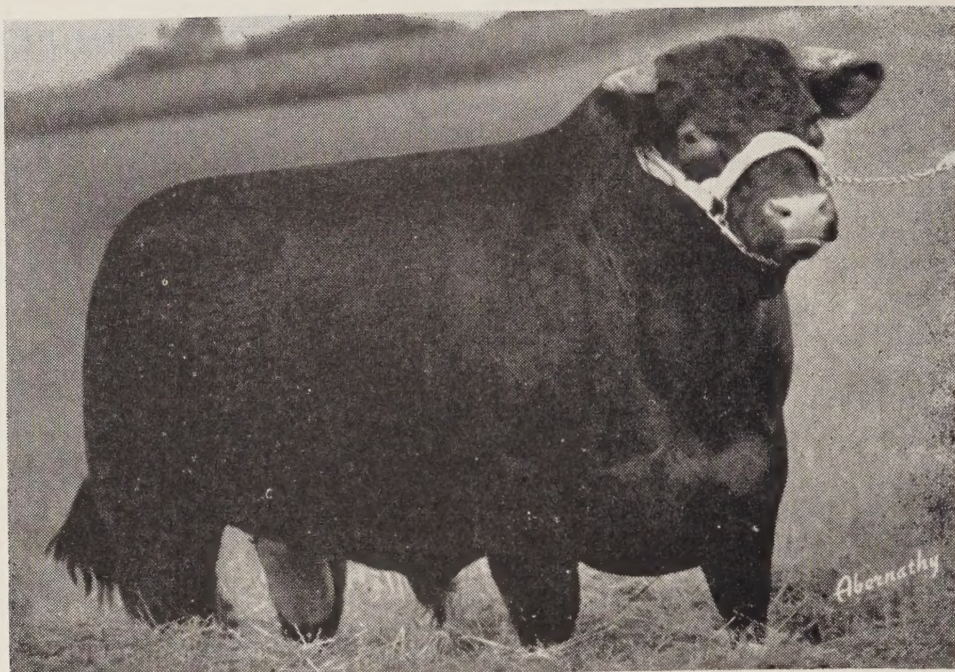

The females, many with big husky calves and re-bred, are a grand lot. Many are the dams and half sisters of the twenty head selected by Mississippi State College. There are some real attractions. One in particular is the outstanding young cow, **Imp Harviestoun Secret Saka**, with a beautiful heifer calf at foot by **Imp. Powgavie Flying Fortress**, and re-bred to him.

Many breeders have wanted to make selections out of the herd privately. However, since the herd must be dispersed, every prospective buyer will have a chance to bid on these tops at public auction.

Metz Bros., have built an enviable reputation for fair dealing in their Short-horn business, and every buyer will find their word as good as their bond. Here is a sale you can buy at with the utmost confidence. Only dispersions offer buying opportunities such as this.

Plan to attend this sale. It will be a pleasant and profitable day well spent.

ALBERT J. HAMANN, SALE MANAGER.

BROADLAWN NORSEMAN 23D

By Reference Sire B, Broadlawn Norseman. His granddam sells as Lot 10 in this sale. This bull was reserve senior champion at Iowa, and Grand champion at Kansas State Fairs in 1952. Now herd sire in the C. M. Cummings herd, Kingsdown, Kansas.

Helfred Broadback—A bull that had a tremendous influence in the Metz herd. By the International champion, Sunray, and out of a beautifully bred Bruce Rosewood dam, his breeding was bound to insure breed improvement. His daughters were a great factor in building this herd. Eight cows by this great sire sell. In addition, many granddaughters and great granddaughters sell.

Broadlawn Norseman—a sire that has done much to improve the type, quality and fleshing qualities of the Metz herd. His sons have done well. One son was reserve senior champion at the 1952 Iowa State Fair, and grand champion at the 1952 Kansas State Fair. His daughters have been the envy of many good breeders. Several have gone to the Burris herd in South Carolina, and Mississippi State College selected ten for their Shorthorn herd. Seventeen cows and 6 calves at foot are sired by him and 16 cows carry his valuable service.

Powgavie Flying Fortress—This is the imported bull selected in F. W. Harding's Anoka Farm Anniversary Sale in 1949. A study of his pedigree will show you why he was selected. Every bull in his pedigree has made a great reputation in Scotland. This is a good headed, thick, close coupled bull with a great quarter and good bone. He has proven to be an excellent sire. His sons develop into top bulls as the four that sell will convince you. His daughters make ideal brood matrons. Mississippi State College selected ten females by him. Four females and 12 calves at foot by him, with 17 females carrying his service, sell. In addition, he, himself, sells. Only five years old, he is sound, a guaranteed breeder, and a real buying opportunity for someone.

Broadlawn Fortress 7th—One of the good young two-year-old bulls to be sold this fall. He is good headed, thick and compact. Sired by the good imported bull, Powgavie Flying Fortress, and out of a granddaughter of the International champion, Sunray, his breeding is of the best. He stood near the top in the junior yearling class at the 1952 Iowa State Fair. He can be recommended as a breeder's bull. Several calves by him have been dropped in the McCone herd and look very promising. A bull you can buy with confidence, and a sale attraction.

BROADLAWN VICTORIA 70TH AND HEIFER CALF

(ABOVE) BROADLAWN VICTORIA 70TH by Broadlawn Norseman. Dam by Helfred Broadback. The heifer calf pictured with her dam is by Imp. Powgavie Flying Fortress. This cow and calf were included in the group of 20 females purchased by Mississippi State College from Metz Bros. This pair show the result of Broadlawn Norseman and Powgavie Flying Fortress matings. Charles E. Lindley, Acting Head of the Animal Husbandry Dept., pictured at right and Wayne Goodnite, Vocational Agriculture Instructor, pictured at left, both of Mississippi State College, made the selections. Ed Metz, senior member of the Metz Bros. firm, pictured right center, and his nephew, Tommy Ross, Omaha, Nebraska, is pictured at left center.

(BELOW) The 10 cows by BROADLAWN NORSEMAN that were selected by Chas. E. Lindley, Acting Head of the Animal Husbandry Dept., and Wayne Goodnite, Vocational Agriculture Instructor, both of Mississippi State College for the Shorthorn foundation of the college herd. This photo was taken of the cattle upon arrival at Mississippi State College. In addition, the college purchased 10 females by Powgavie Flying Fortress, making a total of 20 head. This group created a more than favorable impression upon their arrival in the South, and should make many friends for Shorthorns. The sires, dams and many half sisters of this select group sell in this sale. Pictured with the cattle are left to right: Tommy Ross, Chas. E. Lindley, Ed Metz and Wayne Goodnite.

Harviestoun Secret Saka—Here is a young imported cow that is an outstanding individual. She has a beautiful pedigree and is sired by Tarvas Era, one of the good breeding sons of the noted Aldie Conqueror. Tarvas Era sired several top bulls in the 1946 Perth sale. This great cow is the dam of the outstanding young bull, Broadlawn Fortress 31st by Powgavie Flying Fortress, that sells as Lot 4 in this sale. This cow sells with an outstanding May 23rd roan heifer calf at foot by Powgavie Flying Fortress, and was re-bred to the same sire on July 9th. This is one of the valuable combinations to sell this fall.
